

Dress and Conduct Guidelines for Visiting Religious Sites

SUSTAINABILITY POLICY

As The Komana, it is important to act respectfully and sensitively when visiting religious sites. Therefore, we kindly ask our guests to adhere to the following dress and behavior guidelines when visiting such places:

Dress Code:

- 1. Modest Clothing:** We request that female and male guests wear clothing that covers the shoulders, knees, and chest area.
- 2. Head Covering:** In some religious sites, wearing a head covering may be required. It is vital to comply with such rules.
- 3. Removing Shoes:** In certain religious venues, it may be necessary to remove shoes before entering. We kindly ask our guests to follow this practice when required.

Behavior Guidelines:

- 1. Silence and Respect:** Please remain quiet and respectful toward other visitors inside religious sites.
- 2. Photography Rules:** Only take photos in areas where photography is permitted and always follow posted guidelines.
- 3. Congregational Worship:** If your visit coincides with a time of prayer or worship, please respect those participating.

These rules help maintain a respectful atmosphere in religious sites. We expect our guests to follow these guidelines and approach local cultures with an open mind. At Komana Binbirdirek Hotel, we promote tolerance in an environment where diverse cultures and beliefs coexist.
